COOKIE POLICY — TradVue | Last Updated: March 16, 2026

Section 1. Introduction

This Cookie Policy explains how Apex Logics LLC, doing business as TradVue ("TradVue," "we," "us," or "our"), uses cookies and similar tracking technologies on our website at tradvue.com and associated applications (collectively, the "Service").

This Cookie Policy should be read alongside our Privacy Policy and Terms of Service.

By using TradVue, you consent to the use of cookies as described in this Policy. You can manage cookie preferences as described in Section 6.

Section 2. What Are Cookies?

Cookies are small text files placed on your device (computer, tablet, smartphone) when you visit a website. They allow the website to recognize your device on subsequent visits and enable various functionality.

Similar technologies include:

- **Local Storage / Session Storage:** Browser-based key-value storage used to persist data within a session or across sessions.
- **Pixels/Beacons:** Small image files embedded in web pages used to track page visits and user interactions.
- **Fingerprinting:** Techniques that use device characteristics to identify users without cookies.

TradVue primarily uses cookies and browser local/session storage.

Section 3. Types of Cookies We Use

3.1 Essential / Strictly Necessary Cookies

These cookies are required for the Service to function. They cannot be disabled without breaking core functionality.

Cookie Name	Purpose	Duration	Provider
sb-access-token	Authentication session token. Keeps you logged in to TradVue.	Session / up to 1 hour	Supabase
sb-refresh-token	Used to refresh your authentication session without re-login.	Up to 7 days	Supabase
__stripe_mid	Fraud prevention and payment processing integrity.	1 year	Stripe
__stripe_sid	Stripe session identifier for payment processing.	30 minutes	Stripe

> ***These cookies cannot be disabled via cookie preferences.*** *They are necessary for account security and to process payments.*
>
> - *Disabling these cookies means you won't be able to log in*
> - *Preferences and watchlists won't load*
> - *Payment processing will not function*

3.2 Security / Network Cookies (Cloudflare)

These cookies are set by Cloudflare, our CDN and security provider, at the network layer. They are used for security, bot management, and network performance.

Cookie Name	Purpose	Duration	Provider
cf_clearance	Stores proof that you passed a Cloudflare security challenge (e.g., CAPTCHA).	1 year	Cloudflare
__cf_bm	Bot management cookie. Distinguishes legitimate users from automated bot traffic.	30 minutes	Cloudflare
_cfuvid	Used for rate limiting on Cloudflare's side to prevent abuse.	Session	Cloudflare

> *Cloudflare cookies operate at the network/infrastructure level. They are set for all visitors to protect the platform, regardless of cookie consent settings. They do not track personal behavior for marketing purposes.*

3.3 Analytics Cookies (Non-Essential)

These cookies collect information about how users interact with the Service to help us understand usage patterns and improve TradVue. These cookies are set only with your consent (or unless you have opted out via Do Not Track or cookie preferences).

Cookie Name	Purpose	Duration	Provider
_ga	Distinguishes unique users. Used to calculate visit statistics.	2 years	Google Analytics
ga[ID]	Used to maintain session state for Google Analytics 4.	2 years	Google Analytics
_gid	Distinguishes users for a 24-hour period.	24 hours	Google Analytics
_gat	Throttles request rate to Google Analytics.	1 minute	Google Analytics

Google Analytics does **not** receive or process your trade data, account details, or personal financial information. It receives only standard browsing analytics.

> *You can opt out of Google Analytics at any time using the [Google Analytics Opt-Out Browser Add-On](#).*

3.4 Functional / Preference Cookies

These cookies enable personalized features and remember your preferences.

Cookie Name	Purpose	Duration	Provider
tradvue_theme	Remembers your UI theme preference (light/dark mode).	1 year	TradVue
tradvue_prefs	Stores dashboard layout and display preferences.	1 year	TradVue

---

Section 4. Cookies We Do NOT Use

To be explicit, TradVue currently does **NOT** use the following tracking technologies:

- Segment — not implemented
- Facebook Pixel / Meta Pixel — not installed
- LinkedIn Insight Tag — not installed
- Google Ads / Remarketing tags — not installed
- Twitter/X Pixel — not installed
- TikTok Pixel — not installed
- Any third-party behavioral advertising or retargeting cookies

> *We do not sell your personal information or use your data for cross-site advertising.*

Section 5. Do Not Track (DNT)

TradVue respects Do Not Track (DNT) signals sent by your browser. When your browser sends a DNT=1 signal:

- Non-essential analytics cookies (Google Analytics) will not be set.
- Essential cookies (authentication, security) will continue to function as necessary to provide the Service.
- Cloudflare security cookies operate at the infrastructure level and may still be set regardless of DNT signals.

To enable DNT in your browser, refer to your browser's privacy settings.

Section 6. Managing Your Cookie Preferences

6.1 Browser Settings

Most browsers allow you to refuse or delete cookies. Refer to your browser's help documentation:
